

NDE 2015 - Preconference tutorial Digital Radio Graphy

24-25 November 2015, Course Conducted by: GE

Venue: Hotel Katriya, Rajbhavan Road

Day-1	24th November-2015	Presenter
9:45 - 10:45	New Trends in Industrial Radiography	Mr. SamareshChangdar, General Electric
10:45-11:00	Tea Break	
11:00-12:00	Digital Radiography & CT - Physics , Device & Systems	Mr. Samaresh Changdar, General Electric
12:00:13:00	Applications of Computed tomography & Radiation safety	Mr. VikashBehari, General Electric
13:00-14:00	Lunch Break	
14:00-15:00	Applications of Computed Tomography in Aerospace Application	Dr. Murulidhar, DRDL, Hyderabad
15:00-16:00	Digital Radiography for Automotive application	MrAnshuman Ray, Bajaj Auto
16:00-16:15	Tea Break	
16:15-17:15	Advances in Computed Tomography	Samaresh Changdar, General Electric
Day-2	25th November-2015	Presenter
9:00-10:00	High Energy Digital Radiography	Mr. BikasGhose, HEMRL, Pune
10:00-11:00	Image Processing techniques in Digital Radiography	Dr.Debasish Mishra, GE Global Research
11:00-11:15	Tea Break	
11:15-12:15	Standards of Digital Radiography	Dr.Debasish Mishra, GE Global Research
12:15-13:30	Lunch Break	
13:30 - 14:30	Applications of Digital Radiography in Energy Industries	Mr. Deepesh, BHEL Trichy
14:30-16:30	Question hour
